Sam Nene
VNY Airport Administration

Dear Mr. Nene,

My name is Cat Farber and I am the owner/executive producer of Portfolio One, a production company here in Los Angeles. I am writing to you our Letter of Intent for our upcoming photo shoot titled GP1_SW on Sunday September 23, 2018. Our revised hours of activity will be 5:30am-1:30pm, we are interested in filming at Signature Flight Support East leasehold.

All production company personnel and equipment will remain within the leasehold boundaries at all times. Any lighting equipment will be positioned as to not adversely impact aircraft operations. Any direction given by the on-site Airport Operations representative to shut off, lower or otherwise reposition the lights will be complied with immediately.

Any elevated equipment (booms, cranes, lifts, etc.) will not be positioned higher than the nearest structure or allowed to penetrate any of the FAA Imaginary Surfaces. Any direction given by the on-site Airport Operations representative to lower or otherwise reposition the equipment will be complied with immediately.

Requested Filming activities/scenes:

- Scrims for white simple backdrops to shoot still photographs at Signature Flight Support East leasehold.
- BTS video interview with 2 cameras, tripods and a small set chair in a private space at Signature Flight Support East leasehold. We would like to put our craft service table as close as possible to our shooting area.
- We would like to have the ability to have our production vans as close as possible to our shooting area, and allow them to access the filming area.

Here are my answers to your specific questions:

a. Location of proposed filming on the airport: Signature Flight Support East leasehold.

h. Identification and use of large, disruptive, and/or hazardous props, e.g. weapons, picture vehicles, etc. - none
i. Aircraft (specify aircraft registration "N#", type of aircraft, and how it will be used) – Talent is arriving into airport on a private plane to Signature Support East via Wheels Up – if we are able to photograph her on or near her plane this would be great.
